WASHINGTON, April 6.-Creation a special "aviation medical service" in the army medical corps is expected to materially reduce fatalities among fly-ers on active service, according to an official announcement. Statistics comsenting vote a resolution calling an election to be held in Henderson county on Saturday, June 12, to let the taxpayers and voters vote on the issuance of interest bearing coupons in the sum of \$130,000 for the purpose of building good roads and by making the appropriation, get federal and state aid in highway work. The interest is not to exceed 5½ per cent.

The money is to be expended on the highway beginning at a point on the Madison and Henderson county line a distance of about 25 miles and on another road from a point on the Henderson and Carroll county line to a point on the Hardin and Henderson county line. official announcement. Statistics com-piled by Bräish military authorities were quoted as showing that during the first year of the war 90 per cent of the deaths among British aviators were recorded as due to physical de-fects of pilets. 8 per cent to defective planes and 2 per cent to enemy activity. After the establishment of the air medi-cal service, which made a special study of the qualifications necessary in an aviator, the percentage of deaths due to the faults of the pilets was reduced to 12.

J. T. Tull, in Federal Service, Made Superintendent of Markets.

J. T. Tull, a market expert whose work has been recognized by the federal government and by that of several states, has been appointed general market superintendent in Memphis. He will take charge May I and will get once arrange for the opening of several of the open air curb markets and for securing the co-operation of the growers and consumers in making them a success.

ors and consumers in making them a success.

He was the unanimous choice of the members of the market commission and of Horace Johnson, commissioner of grounds and buildings.

Mr. Tuil was in Memphis Monday and his appointment was announced Tuesday. He comes from Little Rock, where he has been federal market specialist for the entire state of Arkansas for three years. Previously he was uscricultural commissioner of the Kansas (City Southern railroad for eight years, was four years horticulturist in the Shaw botanical gardens, St. Louis, and had been connected for several years with the federal department of agriculture. He was a special commissioner to Japan to study horticultural matters there.

Mr. Tuil will work in close co-opera-

to Japan to study horticultural matters there.

Mr. Tuli will work in close co-operation with the bureau of farm development, and with every agency for development of farming and gardening in Sheiby county and in this immediate territory. In connection with his general work of directing operation of the new markets, he will also have general charge of all the city's market activities and eventually will include in his jurisdiction the operation of the great municipal market building which will be built on the site just west of the new municipal andCorium.

HOLDS BLUE LAW VOID. HUNTINGTON, W. Va., April 6.— Gasoline is as necessary for an auto-mobile as feed for a horse, ruled Mage-istrate Samuel Wright, in discharging two Huntington garage owners who were charged with having violated the "Sunday closing law."

The defendants were arrested Sunday on orders of Mayor C. W. Campbell, who charged that they had sold gaso-line to autoists in violation of the "blue law,"
